Dear Dr.Sanginga,

I am delighted that you will be speaking at our upcoming conference “Planting Seeds for the Future of Food II” in July.

For this conference we are making a number of fellowships available to give the opportunity for students to attend. The conditions of participation, the selection process and the application forms are attached for your convenience. Please submit applications to: sustainablenutrition@nestle.com

We would appreciate if you could encourage students in your Institution to apply. The applications will have to be sent to us by Friday April 14th. The selected students will be notified by May 12th.

Thank you in advance for your help with this process. We are looking forward to seeing you in Vevey in July.

Best regards,

Pierre Broun
