Re: POSTPONEMENT of the GARA 2020 Scientific Meeting in Kampala, Uganda from April 14-16, 2020 to August 25-27, 2020

Dear Participants and Sponsors,

Due to the developing situation with the coronavirus outbreak and resulting travel restrictions for many organizational and government entities, the GARA Executive Committee has decided to postpone the 2020 GARA Scientific Meeting originally scheduled to take place April 14-16, 2020 in Kampala, Uganda.

The meeting will now take place August 25-27, 2020 in Kampala, Uganda. Additional details, including venue and lodging information, will be shared as they become available. We look forward to your participation in August!

Should you have any questions or need to cancel your registration, please reach out to Ms. Hayley Harman (hharman@crdfglobal.org). If you have already registered for the meeting and plan to attend in August, you do not need to reconfirm your attendance.

Thank you for your understanding,

Denis Kolbasov, DVM, PhD
