The application form for placement of students to Public Universities is to be completed by Senior Six Leavers who wish to be considered for admission by individual Public Universities under government sponsorship to the Public Universities and to other Tertiary Education Institutions. The form will be used to collect information on applicants and this information will later be processed on computer. Each applicant must complete the application form.

NOTE: Each first year student admitted to any Makerere University Programme MUST have a Laptop Computer as one of the Essential Study tools for his/her programme.

NOTE: Admission is based on available intake capacities approved by the Government.

Application fee for Ugandans is **Ug. Sh.52, 000/=** per candidate

The application fee should be paid to Stanbic Bank, Dfcu Bank, UBA Bank, Post Bank and Centenary Bank using AIMS Payment Reference Numbers, (PRN) which should be downloaded from payments.mak.ac.ug. Payments can also be through Bank drafts and Cheques in the names of Uganda Revenue Authority.

Note: Non-Ugandans do not apply using this form. They apply online at applications.mak.ac.ug and pay an application fee of Shs.50,000/= for E. Africans and US. \$75 or its equivalent in Uganda Shillings for other International applicants. Applications for International Students are received during the period the University places a call/advertises for Private applications.

2. FILLING AND CARE FOR THE APPLICATION FORM

Each candidate is entitled to only one form; so each student must ensure that the form is neatly and accurately completed. Untidy application forms may be rejected.

2.1 Candidate's Name

The candidates' names **must** be written in full and in capital letters. The names must also be identical to the ones used for registration for 'O' (form four) and 'A' Level examinations (form six). No abbreviations will be accepted. Even if the names were indicated on the Pass slip as initials, they must be written in full on the PUJAB application form. The candidates' names will be written in the space provided.

2.2 University Programmes

A student may apply for a maximum of Ten programmes (**Six choices for National Merit admission and other special schemes i.e. Talented Sports Persons and Persons with Disabilities and another four choices for District Quota admission**) offered at the different Public Universities using the same form.

Students should seriously think about the choices of the degree / Diploma programmes they wish to apply for before completing the application form as it will not be possible to change these choices once the forms have been received by the University.

The programmes at the Universities are represented by **three letter Codes**; these are the Codes to be written in the space provided for each programme. The list of degree programmes and their codes is attached. **Candidates are advised to ensure that they write the correct codes for the respective Degree Programmes.** Candidates should seriously note that a wrong Programme Code would result into the Candidate's name being omitted from the list of applicants for the particular programme(s).

2.4 Advice on making your Choices for Degree / Diploma Programmes

It has been noted over the years that some candidates apply for only Traditional, 'Popular' and highly competitive programmes: e.g. LAW, ECO, BIB, AFD etc on the Arts side and MAM, PHA, CIV, ELE, ARC etc on the Science side. Such candidates don't make choices on programmes such as FIN, AID, DES, BGD, BLH and BSC/ED, B.SC. In several instances, many of those candidates do not qualify for the highly competitive programmes but would qualify for the 'moderately' competitive programmes if they had applied for them. **Forms with crossings and white-out shall not be accepted.**

2.5 Other Tertiary Institutions

Space is provided for candidates who wish to apply for programmes at the other Tertiary Education Institutions. The codes for programmes offered at those Institutions are to be collected from the JAB Office, Ministry of Education and Sports (Legacy Towers).

2.6 Candidate's Index Number

IT IS VERY IMPORTANT THAT A CORRECT INDEX NUMBER IS WRITTEN ON THE APPLICATION FORM for example U0001/501. That is, the Index Number should be written in full, clearly indicating the centre number as well.

2.7 Citizenship

The appropriate CITIZENSHIP should be clearly indicated on the form. International students or Non-Ugandans should not complete the form for government sponsorship. They should fill forms for private sponsorship, which are the respective University Websites e.g. applications.mak.ac.ug

2.8 Gender

The Candidates should indicate whether they are MALE (M) or FEMALE (F)

2.9 District

It is important that the right **Home District** is indicated in the appropriate space. **Appendix D** has Codes for all districts in Uganda. This is very important especially in relation to district quota admission. **Candidates/applicants are warned against indicating wrong districts.** Some indicate districts where their schools are located instead of their own home districts. If this is discovered either at registration or afterwards, the affected person's admission will be cancelled.

2.9.1 Candidates recommended for admission on District Quota will have their names forwarded to the Ministry of Education and Sports for onward transmission to District Local Council for verification. Names of verified candidates will then be forwarded to the Ministry and then to Makerere University for admission.

2.10 Year of A' Level Examinations and Centre Name

The year of A' level Examinations e.g. 2020 and school name **must** be written in the space provided. This information will help the University to differentiate and identify students who may have sat the A' level examinations in different years and different centres.

2.11 O-Level Results

Candidates should provide correct information on the year of O'Level, the Index Number and grades obtained per subject. They must attach a copy of the O'Level Pass Slip, which should be submitted to the Admissions Office with the Application form for verification purposes. There are cases of candidates who deliberately record better O-Level grades than what they actually obtained or deliberately recording A-Level Index Numbers, which are not theirs. A' Level candidates are warned against presenting forged O'Level Pass Slips to the University. Candidates who sat outside **Uganda should submit photocopies of original documents in addition to UNEB equivalents.** The pass slips should be stapled on the application form. **Candidates who obtained an overall Grade of 7, 9, Y or Z at O'Level do not qualify for University admission and need not apply. One should have also passed at least 5 subjects at 'O' Level (i.e. 5 subjects without a Grade 9).**

2.12 False Information/Impersonation

Candidates are warned that cases of impersonation, falsification of documents or giving false/incomplete information whenever discovered either at registration or afterwards, will

lead to automatic cancellation of admission, besides being referred to Police for prosecution.

2.13 Choices of B.A. and B.SC. Subject Combinations

50. B.A. Subject combinations

Applicants admitted to the Bachelor of Arts Degree Programme offered in the College of Humanities and Social Sciences; take three subjects in the first year. The University Admission Committee allocates these subjects taking into account the applicants' choices, the capacities of the Departments and the timetable limitations. The list of subjects available in the three Schools of the College of Humanities is at **APPENDIX A**.

APPENDIX A also shows the Codes and the corresponding possible subject combinations, which the candidates should apply for. The subject combinations belong to the School where two of the subjects belong. For example, a candidate allocated POS, SOC, ECO would belong to the School of Social Sciences. The candidates who may want such a subject combination should apply for admission to BA (SS) whose Code is ASS. On the other hand, a candidate allocated ECO, GEO, PHI would belong to the School of Liberal and Performing Arts and should accordingly apply for admission to BA (A) whose Code is ARS.

The **3-digit Numerical Code** for each subject combination should be written in the space provided e.g. 001 for POS, SOA, SOC. There is provision for three subject combinations. An applicant will be considered for allocation for the 1st subject combination. In case the 1st choice subject combination is not possible, one of the remaining two or any other combination may be allocated. **Please ensure that you use the new subject codes as they appear because some of the codes have changed.**

b) B.SC EDUCATION & BSC. BILOGICAL, PHYSICAL & ECONOMICS Subject Combinations

Each Candidate admitted to the B.SC Education & BSC. Degree programme will be allocated a set of 2 subjects. The two allocated subjects should have been passed well at A-level. The list of subjects offered in the College of Education & External Studies and College of Natural Sciences at Makerere University is shown in **Appendix B**. The subject of Biology offered at A-level is split into Botany and Zoology at the University.

Appendix C shows 1st Year subject combinations for Kyambogo

2.14 Contact Address

Each candidate's contact address should be written in the space provided.

Space for the Telephone Number, Fax Number and E-mail has been provided; these are to enable the University Contact Candidates in case there is a problem with the application form or on any other admission matters.

2.15 Home County, Parish and Village

It is imperative that information is provided on the above for records and statistical purposes.

2.16 Information on Parents

Information regarding parents of each applicant **must** be provided whether alive or deceased. Clearly indicate whether the parent is deceased.

2.17 Candidates' Signature

To confirm that the Candidate is responsible for all the information entered on the application form, he/she should sign in the space provided and put their thumb print in the space provided. Before signing the form, **CANDIDATES ARE URGED TO CROSS-CHECK THAT THE INFORMATION FILLED IN THE FORM IS TRUE TO THE BEST OF THEIR KNOWLEDGE.**

2.18 Confirmation from Local Councils

The LC. I and LC. III Chairpersons must sign and stamp the forms as evidence that what the applicant has stated about his names, parents, home district and citizenships is correct. **(No application form will be accepted by the University without this confirmation).**

2.19 Head teachers' Certification on the Candidate

Head teachers are required to verify the citizenship, conduct, health condition, and sports ability of their candidates. **They should cross check the information filled in the form by the candidates before signing. Head teachers are advised against endorsing documents that bear false information, for example on citizenship, district of origin or disability.**

2.20 School Stamp

The school must stamp the application form as proof that what has been stated has been crosschecked and endorsed. **THE SCHOOL STAMP TO BE USED SHOULD BE FOR THE CENTRES AT WHICH THE CANDIDATES WILL SIT THEIR A'LEVEL EXAMINATIONS**

2.21 Re-applicants

Applicants who sat 'A' Level examinations in the previous years should note that 'A' Level results are valid for government sponsorship for only 3 years (2020, 2019 and 2018). Those interested in re-applying should attach photocopies of both 'O' and 'A' Level results on the application form.

5. ADMISSION REQUIREMENTS FOR UNDERGRADUATE PROGRAMMES

- (a) A candidate shall be deemed eligible for consideration for admission to a first degree programme at the University if the candidate has obtained:
- (i) The Ugandan Certificate of Education with a minimum of 5 Passes or an equivalent qualification, and

50. At least two Advanced Level Principal Passes in approved subjects at the same sitting of the Uganda Advance Level Certificate of Education Examination ('A' Level) or an equivalent qualification.

For purposes of this regulation, except where otherwise provided for, all subjects offered by the Uganda National Examinations Board at 'O' Level and 'A' Level are regarded as approved subjects.

- (b) College/School requirements.
Within the framework of the General Direct Entry Requirements, there may be special College/School requirements which candidates must fulfil to gain admission to a programme in a specific academic unit.

5.1 THE WEIGHTING SYSTEM

IMPORTANT TO NOTE: That the existing Weighting System shown below applies to all nine Public Universities. Candidates are therefore advised to study and understand the weighting system before completing application forms and ensure that they get access to an updated weighting system for 2021/2022 Admissions.

5.2 WEIGHTING CRITERIA

All subjects taken at the Advanced Level of Education are grouped into three categories and weighted as follows for purposes of admission to any programme of Undergraduate study in the University.

Subject Category	Weight
(i) Essential	3
(ii) Relevant	2
(iii) Desirable	1

The Essential A' Level subjects for University Programmes must be passed with a Principal Pass. A Principal subject passed at Subsidiary level i.e. Grade O can however be weighed as Relevant but not as an "Essential".

5.3 For a given candidate, not more than three subjects taken at the principal level shall carry a weight of 3, 2, or 1.

- 5.4 Not more than two subjects shall be weighed as “Essential”.
- 5.5 A pass with a Distinction or Credit in a subject taken at subsidiary level such as General Paper, Sub-Maths or Computer Studies shall carry one point. A subsidiary pass ranges from grades D1 to C6.
- In case of programmes where “Essential” subjects may be three or more, an “Essential set” of subjects is defined. The **best-performed** two subjects of the essential set shall be designated as “**Essential Subjects**” and **weighted three**. The 3rd best done subject from the Essential Set shall be designated as the “**Relevant Subject**” and **weighted two**.
- 5.7 When computing points, special programme requirements are also taken into consideration.
- 5.8 For ‘O’ level grades, Distinctions 1 & 2 carry 0.3 points, Credits 3 to 6 carry 0.2, Passes 7 & 8 carry 0.1 and Fail (9) carries 0.0 weights respectively.
- 5.9 For A’ Level grades, the conversion scale is A=6, B=5, C=4, D=3, E=2, O=1, F=0 points.

6. THE COMBINED WEIGHT OF A CANDIDATE FOR ADMISSION TO THE UNIVERSITY

- a) The O’Level weight of a candidate for any programme in the University, is obtained by multiplying the numbers of Distinctions/Credits/Passes, by the relevant weights and adding up for the Distinctions, Credits and passes actually obtained by the candidate.
 - b) The ‘A’ Level weight, for a given programme, of a candidate is obtained by multiplying each subject grade point by the relevant weighting factor and adding up for all the subjects taken and passed.
50. The combined weight of a candidate for a given programme is obtained by adding the O’Level weight obtained (a) above to the ‘A’ Level weight obtained (b) above. The best candidate for each programme is the one with the highest combined weight.
50. Candidates are selected on merit from those who apply for a programme as their first choice plus those who apply for the programme as 2nd, 3rd, 4th choice etc., if they have not been admitted to programmes of their earlier choices. All choices are considered.
